Susie Orman Schnall is the award-winning author of three novels: Her thought-provoking debut, *On Grace* (2014, SparkPress), is about turning 40. *The Balance Project* (2015, SparkPress), is about work-life balance and was inspired by The Balance Project interview series she started in 2014. And *The Subway Girls* (2018, St. Martin’s Press), is historical fiction about the fascinating Miss Subways advertising program. Susie’s writing has appeared in numerous publications and she has spoken to dozens of organizations about her work.

**THE BOOKS**

**The Subway Girls**

*The Subway Girls* is the charming story of two strong women, a generation apart, who find themselves up against the same eternal struggle to find an impossible balance between love, happiness, and ambition.

**The Balance Project**

*The Balance Project* is a story of loyalty, choices, and balance that will resonate deeply with all women who struggle with this hot-button issue.

**On Grace**

*On Grace* embraces themes that will ring true with women who own at least one pair of Spanx: fidelity, friendship, and finding oneself at 40. Readers love it because it’s soulful and sweet, sexy and sad, straight up and smart, and, ultimately, quite satisfying.
IN THE NEWS

Susie’s writing has appeared in:

HUFFPOST  GLAMOUR  WORKING MOTHER  SELF
redbook  mbg  parenting  sheknows

PAST ENGAGEMENTS

Susie has spoken to dozens of organizations, including:

- Author Panels
- Book Clubs
- Book Stores
- Charitable Organizations
- Corporations
- Libraries
- Podcasts
- Radio Shows
- Women’s and Professional Organizations

TOPICS

Susie can discuss either of the following or she can customize a presentation based upon the needs of your organization:

Work/Life Balance – After discussing the subject of work/life balance with more than 150 diverse and successful women, Susie has acquired a large base of anecdotal knowledge on the subject. She is able to share stories that shed a light on the topic that nearly every woman struggles to manage.

Her Books – Susie is also available to talk about her books, her writing process, and her path to publishing. As an indie success and now traditionally published author, Susie has the ability to reach both readers and fellow writers.
